NOTICE OF INTENT TO INCREASE COLLECTION RATES FOR SOLID WASTE/RECYCLABLE

MATERIALS IN THE WEST BAY SANITARY DISTRICT

The District Board of the West Bay Sanitary District hereby gives public notice of its intent to increase some of the existing residential rates for the collection of recyclable materials, compost, and refuse commencing Jan. 1, 2022.

The District Board plans to consider this rate increase at a public hearing on December 8, 2021 at 7:00 p.m. in the Board Conference Room located at 500 Laurel Street, Menlo Park or by Zoom or telephone to encourage social distancing <https://us06web.zoom.us/j/84425104056?pwd=NzlnWUVrSC84T1V6L05YeIREbGtRQT09> Meeting ID: 844 2510 4056 Passcode: 203810 or 1-669-900-6833 Meeting ID: 844 2510 4056 Passcode: 203810

The need for this increase was discussed by the District Board at the September 8, 2021 Regular Board meeting, and is further detailed in the staff report for this matter, which are available at the District Office located at 500 Laurel Street, Menlo Park or online at www.westbaysanitary.org

Approximately fifty-six percent (56%) of residential service containers are a 32 gallon size. The new rate for 2022 for a 32 gallon container would increase from \$53.50 per month to \$55.25 per month, a \$1.75 per month increase. The new rate for the 20 gallon container would increase from \$46.00 per month to \$48.75 per month, a \$2.75 per month increase. 20 gallon containers will be grandfathered to current users but are no longer available to new customers or to customers wishing to migrate down to a 20 gallon container. As further detailed in the Rate Study in 2020, the purpose of these increases is to align the Solid Waste Rates with the actual proportionate cost of providing the service to customers in each customer service level.

The proposed rate increases will align rates for 20 and 32 gallon carts with the actual cost of providing service received by the two smaller carts. All rates for other carts and commercial bins will remain the same.

(Continued) Rates for Other Services

*Commercial bin rates reflect collection charge for **one** pick up per week; To calculate charge for more than one collection per week, multiply rate by number of collections per week. For example, 1-Cubic Yard Bin (at current rate) collected 3 times per week = \$528.81 (\$176.27 x 3 collections/wk)

NECESSITY FOR THE NEW RATES

The West Bay Sanitary District is a member of the South Bayside Waste Management Authority, and contracts with Recology San Mateo County (RSMC) and South Bay Recycling (SBR) for collection services and operation of the Shoreway Center, respectively, as of January 1, 2011. The proposed rates result from the weekly recycling, organic materials and solid waste collection services and Shoreway Center operations provided by RSMC and SBR, contractual compensation adjustments, and migration to smaller containers.

The collection services include the more convenient weekly collection, rather than bi-weekly collection, of single stream recycling, organic materials (yard trimmings and food scraps) and solid waste. The Shoreway Center has undergone substantial capital improvements to construct a Materials Recovery Facility (MRF) and an expanded Transfer Station. These improvements facilitate single stream (mixed) recycling, enhance onsite public recycling activities, and improve traffic circulation at the Shoreway Center.

The District is in the fifth year of a multi-year pricing restructuring plan, so that a transition is made whereby the smaller cans will support their own cost of collection and disposal.

The West Bay Sanitary District hereby gives notice of a public hearing to be held at its Board meeting on December 8, 2021, at 7:00 p.m. in the District's "Ronald W. Shepherd" Administration Building located at 500 Laurel Street, Menlo Park, CA or by Zoom or telephone to encourage social distancing <https://us06web.zoom.us/j/84425104056?pwd=NzlnWUVrSC84T1V6L05YeIREbGtRQT09> Meeting ID: 844 2510 4056 Passcode: 203810 or 1-669-900-6833 Meeting ID: 844 2510 4056 Passcode: 203810

At this hearing, the Board of Directors will consider public comment as well as written protests by ratepayers regarding the proposed increase in monthly collection rates. If written protests are presented by a majority of the affected ratepayers prior to the close of the public hearing, the Board of Directors will not increase the rates as a matter of State law, however levels of service may be impacted.
