Subject: West Bay Sanitary District contracting for
Town of Woodside

This letter validates West Bay Sanitary District (WBSD) as an authorized contractor working in the Town of Woodside public rights-of-ways and utility easements on private properties for the operation and maintenance of the Town Center Sewer Assessment District sanitary sewer facilities. Their services include cleaning and closed-circuit television analysis of the existing sanitary sewer main pipes within the Town's sewer system. Access to the easements is required to maintain and repair the sewer lines. WBSD workers will need to enter the easement areas with equipment to analyze existing conditions and provide cleaning and videotaping services as part of operations and maintenance of the public sewer system in the Town.
