All such data and information is preliminary, and thus, is subject to change, update and/or refinement. The District makes no representation or warranty that the information provided herein is correct, sufficient, complete or accurate. Any and all parties participating in the procurement process shall evaluate and validate any design criteria, requirements and/or other data and information provided by the District. Without exception, Respondents shall be responsible for the interpretation of all data and information provided. The District specifically disclaims responsibility or liability for any of a Respondent's interpretations and/or assumptions in developing a Proposal.

The posting of this data and information does not commit the District to issue an RFP or award a contract, nor does it commit the District to pay any cost incurred in the preparation and/or submission of a Proposal or in making necessary studies or designs for the preparation thereof. The District assumes no obligations, responsibilities, and/or liabilities, fiscal or otherwise, to reimburse all or any part of the costs incurred or alleged to have been incurred by parties participating in the procurement process or considering a response to and/or responding to an RFP. All such costs shall be borne solely by each Respondent and its team members.

The District reserves and retains all rights and conditions set forth in the RFQ (including, but not limited to, those set forth in Section 7.4 of the RFQ). By viewing the data and information contained herein, any party participating in the procurement process acknowledges and consents to the following District rights and conditions, including without limitation, with or without cause and with or without notice, the right to: (a) modify the procurement schedule; (b) suspend or terminate the procurement process for any reason whatsoever; (c) cancel, withdraw, postpone or extend any RFP, in whole or in part, at any time, without incurring any obligations or liabilities; (d) correct, amend, withdraw, supplement and/or otherwise modify data and information and any RFP issued; (e) decide not to award a DB Contract as a result of the procurement process, for any reason; (f) at any time prior to execution of the DB Contract, amend the contract services, omit services therein, or include services not currently contemplated therein; and (g) take any and all action affecting the RFP process, or the Project that is determined to be in the District's best interest.
