

**West Bay Sanitary District
Notice of Public Hearing
“Corrected Notice”**

NOTICE IS HEREBY GIVEN that the District Board of the West Bay Sanitary District will conduct a Public Hearing on Wednesday evening, January 11, 2017 at 7:00 p.m. in the Board Conference Room located at 500 Laurel Street, Menlo Park.

The purpose of the Public Hearing will be to consider a proposed increase in some of the existing residential customer rates for year 2017 effective April 1, 2017 for the collection of waste/recyclable materials in the West Bay Sanitary District for 2017.

The need for this increase was discussed by the District Board at the October 26, 2016 Board meeting. The staff report for this matter is available at the District Office located at 500 Laurel Street, Menlo Park or online at www.westbaysanitary.org

WHAT ARE THE NEW RATES:

Approximately fifty-five percent (55%) of residential service containers are a 32 gallon size. The new proposed rates for 2017 for a 32 gallon container would increase from \$37.60 per month to \$40.23 per month, a \$2.63 per month increase. *Beginning in 2018 residential customers retaining a 20 gallon container will be billed at the same rate as those with a 32 gallon container in an effort to fully reflect the cost of service.*

Currently, the 20 and 32 gallon cans are priced below the cost-of-service level. The District will be restructuring pricing, over time, so that a transition is made whereby the smaller cans will support the cost of collection and disposal.

The following table shows the current rates and the proposed rates for West Bay Sanitary District Franchised Customers to be effective beginning April 1, 2017.

* The previous notice contained a mathematical error in the quarterly charges.
