Don't Flush Your Old Medications, Drop Box Located At Little House!

It's finally here! A local location to drop off your old medications. The City of Menlo Park and Peninsula Volunteers, Inc. have partnered up to place a pharmaceutical drop box at Little House Activity Center located at Nealon Park (800 Middle Avenue). Simply place any unused or unwanted legal drug into the receptacle and it will be properly disposed of. Little House's hours of operation are convenient for residents, operating Mondays through Thursdays from 8:00 am to 9:00 pm, and Fridays 8:00 am to 5:00 pm. The dropbox will help avoid hazardous waste seeping into the water stream when medications are improperly discarded.
